ABOUT THE INSTITUTE & CONFERENCE

About the Institute

Sree Siddaganga Education Society, founded in 1963 by Dr. Sree Sree Shivakumara Swamiji and managed more than 123 educational institutions across Karnataka. The Society's commitment to quality education continues under the leadership of His Holiness Sree Sree Siddalinga Swamiji, the present President. Shree Siddaganga Institute of Nursing Sciences and Research Centre, Tumakuru, is known for quality nursing education, dedicated faculty and excellent infrastructure. The institution has trained over 2,500 professional nurses who serve communities across India and abroad.

Vision

To be an Institute of Excellence in Nursing Education, Research and Clinical Practice, producing compassionate, competent and ethically trained nursing professionals who contribute to the healthcare needs of society.

Mission

Provide holistic nursing education integrating clinical expertise, ethical values and a spirit of service.

- Promote research that addresses evolving healthcare needs.
- Cultivate lifelong learning among nursing professionals.
- Strengthen community health through outreach, awareness and collaborative care, in alignment with the ideals of the founding spiritual leaders.

About the Conference

The International Conference on Nursing, themed "Research to Reality: Translating Nursing Evidence Based Practice into Clinical Excellence," offers a platform for nursing professionals, educators, researchers and students to share knowledge, showcase research and explore evidence-based innovations. It aims to bridge the gap between research and clinical practice to enhance patient safety, quality of care and nursing excellence.

Objectives

- Promote the translation of nursing research into evidence-based clinical practice.
- Explore innovative nursing interventions that enhance patient safety and quality of care.
- Encourage research collaboration and knowledge sharing among nursing professionals and scholars.
- Highlight the role of technology in advancing nursing practice and healthcare outcomes.
- Promote sustainable, evidence-based strategies for clinical excellence.
